## Patient Medical History

**Although dental personnel primarily treat the area in and around the mouth, your child's mouth is part of their entire body. Health problems that your child may have, or medications that he/she may be taking, could have an important interrelationship with the dentistry they receive. Thank you for answering the following questions.**

### **Authorization and Release**

Payment is due in full at the time of treatment unless prior arrangements have been approved.

This office participates out-of-network with insurance, and I understand I am responsible for payment of services rendered and also responsible for paying any co-payment and deductibles that my insurance does not cover. I hereby authorize payment directly to this dental office of the group insurance benefits otherwise payable to me. I understand that I am responsible for all costs of dental treatment. I hereby authorize release of any information, including the diagnosis and records of treatment or examination rendered to my insurance company.

I understand that the information that I have given today is correct to the best of my knowledge. I also understand that this information will be held in strictest confidence and it is my responsibility to inform the office of any changes to my medical status. I authorize the dental staff to perform any necessary dental services that I may need during diagnosis and treatment, with my informed consent.
